Financial Policy

WELCOME

We are committed to providing you with quality dental care, and we are pleased to discuss our professional fees with you at any time. Your clear understanding of our financial policy is important to our professional relationship. Please ask if you have any questions about our fees, financial policy, or your responsibility.

To assist us in establishing your account please (1) provide current insurance information on our registration form, and (2) authorize release of information necessary for insurance filing and pre-certification (sign on the sheet below). Failure to do so will affect your financial responsibility for charges incurred. Your payment can be made in the form of cash, check, or Visa/MasterCard, American Express or Discover.

REGARDING INSURANCE

Payment of co-payment, co-insurance, deductible, or fees for non-covered services, when applicable, is required at time of service, unless other arrangements have been made with the office.

Insurance is a contract between you and your insurance company. We are not a party to your contract. We will not become involved in disputes between you and your insurance company regarding deductibles, non-covered/covered charges, co-insurance, secondary insurance, coordination of benefits, pre-existing conditions, or "reasonable and customary" charges other than to supply factual information as necessary. You are responsible for the timely payment of your account.

After 60 days, it is the patient's responsibility to pay the balance of the account even if there is an insurance claim pending. We will no longer be responsible for collecting your insurance claim or for negotiating a settlement of a disputed claim.

.....
I have read and understand the above terms and conditions and will verify so by giving my signature.
